

Foreman Ad

The Resort Village of Manitou Beach is hiring a Foreman to oversee and assist with municipal operations. A minimum Level I in Water Treatment is required. In this role you will be responsible for: all aspects of municipal operations including water treatment, seasonal water connections, sewer maintenance, locating property lines, infrastructure, road maintenance, purchasing and quotations, directing maintenance staff and more.

Preference will be given to those applicants with previous experience in a Foreman position. Please reply to this opportunity by emailing your resume with cover letter to: manbe@sasktel.net and using "Foreman Position" in the subject line.

You may also drop your resume with cover letter off at our office during regular business hours. **No phone calls please.**
