Around the Beach!

Well folks, we are right at the end of a nasty cold snap and also nearing the end of January! Watch for the Winterfest activities, planned this year from February 14 to 21, starting off with The Johner Brothers at Danceland on Valentines Day, February 14. There are many activities all week to enjoy time with our families, such as a natural wellness fair, pancake breakfast, glow skate, movie night, street hockey, laser tag, a chilli cook off and tradeshow just to name a few events! Watch for the schedule of activities on [Events - Watrous Manitou](#) or on their Facebook page.

Following are a few updates from our most recent Council meeting in January:

- Council discussed service delivery expectations of snow removal to develop a consistent approach to snow removal throughout Manitou Beach. Council has directed Administration to draft a snow removal policy for review by Council at the next regular meeting in February.
- Administration will be reviewing all tax and water accounts over the next two months for the purpose of ensuring accuracy, consistency and proper set up.
- Council will be reviewing a revised draft Council Code of Conduct bylaw at their next meeting in February.

The next regular Council meeting is Tuesday, February 17th at 5:30 PM.

Watch for more upcoming promo on Winter Festival – a great chance to gather, celebrate, and enjoy the season together!

Warm regards,
Mayor Cheryl Hanson
