UTILITIES

Effective for the next billing cycle, your bill via email will come from admin@manitoubeach.ca instead of manbe@sasktel.net.

There is still an issue with the sasktel.net email addresses, so I am hoping this will solve it once and for all.

Please add admin@manitoubeach.ca to your contacts so it doesn't hit your junk/spam.

Your next utility bill will be the beginning of March, so please let us know if you have not received it within the first two weeks.

NEW INTERNET OPTIONS COMING SOON

Collaboration with MidSask Municipal Alliance Rural Saskatchewan has been identified as having an internet deficit. Speed and bandwidth in many areas is less than the federal standard. Farms and acreages tend to suffer the worst. Flex Network is laying fibre optic to Manitou Beach and other regions in the area. There will be more information ahead as we consider how to stay ahead of internet access and speed.

Welcome to Dean Kupchenko as
our Assistant Foreman
